Chisholm TAFE Dandenong, Building F

In March 2021, arete Australia commenced the refurbishment of Building F at the Dandenong Campus of Chisholm Institute of TAFE. The Institute engaged our team to create a welcoming, student-focused environment designed not only as a lounge area but also as a comprehensive support hub, fostering student engagement and enhancing career readiness.

The new space includes a dedicated reception and private waiting area, consulting rooms, offices, open-plan workstations, and well-equipped kitchen and tea points. Additional features include a workshop area, open meeting and dining spaces, a student lounge, amenities, a storeroom, a comms room, and a plant room. Each element was meticulously planned to support student success and encourage continued participation in their studies.

Completed in June 2021, this modern and functional hub now provides Chisholm students with an inviting space to learn, connect, and thrive in their academic and career pursuits.
